

JATIN KUMAR SHARMA

Sydney, New South Wales | jatinvksharma@gmail.com | +61 422 032 039 | [GitHub](#) | [LinkedIn](#)

PROFILE

- UNSW Computer Science student (WAM 76.318) with a minor in Marketing, focusing on systems, devops and backends.
- Experienced in shipping security-minded backends with measured performance and robust error handling.
- Cross-functional experience in brand marketing, content strategy, and team leadership.
- **Work Rights & Availability:** Student visa (subclass 500).

EDUCATION

University of New South Wales (UNSW)

Bachelor of Computer Science (Minor in Marketing), WAM: 76.318

Sep 2023 - Aug 2026

Sydney, NSW

EXPERIENCE

Oppizi

Supervisor & Trainer

Sep 2025 - Present

Sydney, NSW

- Supervised and trained new Brand Ambassadors to successfully run on-ground marketing campaigns.
- Oversaw campaign execution for major enterprise clients, including Uber Eats, DoorDash, and Singapore Airlines.

UNSW Punjabi Society

Marketing Sub-committee Member

Sep 2025 - Present

UNSW, Sydney

- Manage and create engaging visual content and posts for the society's official Instagram handles.
- Conceptualise creative engagement ideas and coordinate research and content strategy for 10-week social media campaigns.

PROJECTS

Full-Stack E-Commerce Application

React, Vite, Express.js, PostgreSQL (Neon), Stripe

Dec 2025 - Jan 2026

[Live Demo](#)

- Built and deployed a responsive e-commerce platform using React and Vite on the frontend with an Express.js backend.
- Integrated Stripe for secure end-to-end payment processing and implemented seamless authentication flows.
- Architected a PostgreSQL database hosted on Neon, strictly linking tables via specific external identifiers to maintain architectural integrity and optimize queries.

End-to-End Encrypted Chat

Python (asyncio, TUI), X25519+HKDF, XChaCha20-Poly1305, Wireshark

Jul 2025 - Aug 2025

- Developed an encrypted chat application featuring robust shutdown and error paths.
- Implemented secure handshakes using X25519+HKDF and authenticated encryption via XChaCha20-Poly1305 AEAD.
- Verified encryption protocol and network packets using Wireshark and comprehensive property tests.

Local "mygive" Clone

POSIX Shell (dash/sh)

May 2025 - Aug 2025

- Re-created UNSW-style submission and autotest pipeline using pure POSIX shell.
- Achieved 100% test parity with typical submission times under 1 second.
- Implemented atomic snapshots, rollback capabilities, deterministic diffs, and precise exit codes.

DungeonMania

Java, OOP, Clean Code Principles

Oct 2024 - Nov 2024

- Refactored a legacy game engine to strictly adhere to SOLID design principles.
- Modularised entities, combat systems, and goals, establishing clearer extension points.
- Reduced code smells and ensured all unit and integration tests passed successfully.

Kahoot-style Quiz Backend

TypeScript, Node.js, HTTP

May 2024 - Aug 2024

- Implemented session and quiz orchestration ensuring correct HTTP semantics.
- Led backend planning and authored comprehensive unit tests.
- Delivered a robust architecture capable of stable multi-session runs.

SKILLS

- Languages: Python, TypeScript/JavaScript, SQL (PostgreSQL), POSIX shell (dash/sh), Java, C, HTML/CSS
- Systems & Networking: TCP/UDP sockets, HTTP/1.1, Wireshark, DNS, Linux CLI
- Data & Tools: PostgreSQL, PL/pgSQL, Git, Make, Regex, Markdown, React, Vite, Express.js
- Marketing & Other: Consumer behaviour, brand analysis, network measurement

CERTIFICATIONS

- Building with the Claude API -- Anthropic
- AWS Certified Cloud Practitioner -- Amazon Web Services
- Google Cloud Digital Leader -- Google Cloud
- Microsoft Azure Fundamentals (AZ-900) -- Microsoft

VOLUNTEERING & EXTRACURRICULAR

Brekkie Club, UNSW Arc CheckPoint

Sep 2025 - Present

Volunteer

Kensington, NSW

- Prepare and serve breakfast to ~50 students weekly, strictly adhering to food-safety and hygiene standards.
- Coordinate with fellow volunteers to ensure smooth event setup, distribution, and clean-up.
- Support inventory tracking and rostering to maintain reliable operations and community support.
